## SOUP STATION

Rich Beef and Vegetable Broth with shredded Oxtail

Curried Butternut Squash and Sweet Potato puree

## MAIN COURSE

### Fresh Angus Beef Fillet

Distinctive to the black coloured cattle, Aberdeen angus beef is renowned for its fine quality meat, with just enough fat to make the meat juicy, tender and most tasty. Located under the skeleton, this cut works much less than other joints and that is why it is the most tender and juicy cut from the animal.

or

### Fresh Hereford Uruguain Beef Tagliata

Rusty brown coloured cattle, known for it's marbled texture, that gives a rich flavour to the meat. Briefly seared on high heat and left to rest to retain it's bursting beefy flavours, served with rucola leaves, parmesan shavings and pepper corns.

or

### Fresh Milk Fed Veal Ribeye

The finest and most tender cut from the front part of the animal, lean and low in fat content

or

### Fresh Scottona Picanha

The generous marbling from this cut, gives a very tender and rich meaty flavour

or

### Roast Fresh Scottish Salmon

Plumpy pink flesh, on a bed of black greek olives and fennel.

or

### Smoked Barbary Duck Breast

Carrot puree, cranberry compote, orange flavoured glaze

Including a choice of Mashed Potatoes, Garlic Roast or French Fries and a choice from Port Wine Jus or Truffle and Mushroom Cream
